**Mercury Racing Launches Hurricane Ian Relief Program**  
*Donation Match, T-Shirt Sales to Assist Florida Power Boat Communities*

**FOND DU LAC, Wis. (Oct. 10, 2022)** – Mercury Racing, a division of Brunswick Corporation (NYSE:BC) and leading provider of high-performance marine propulsion systems, is launching a fund-matching and fundraising Hurricane Ian Relief program to support the Cape Coral, Fla., and Fort Myers, Fla., communities.

“Our products are used in water across the globe,” said Stuart Halley, general manager for Mercury Racing. “But, right now, our hearts are focused on the citizens and businesses in Florida that have been devastated by Hurricane Ian. We have a large base of boat builder partners, dealers, and customers in Florida, and we’ve hosted events and competed in power boat races in communities that will forever be changed. Today, in honor of all those people, we’re announcing our Hurricane Ian Relief program.”

The Mercury Racing Hurricane Ian Relief program is two-fold, offering financial support to the [Cape Coral Caring Center](#) as well as contributing to the charitable efforts of the [Fort Myers Offshore Club](#). Mercury Racing will match – up to \$25,000 – any donation made via the Cape Coral Caring Center’s website from now until the end of October 2022. The second part of the program is a limited-edition Mercury Racing Hurricane Ian Relief t-shirt that is available on the [Mercury Racing Speed Shop](#). All profits from the sale of this t-shirt will be donated to the [Fort Myers Offshore Club](#) to support its charitable efforts and provide relief assistance within the Fort Myers community.

The Cape Coral Caring Center is a 501(c)(3) non-profit that provides year-round emergency food pantry services and assists those in need to maintain a suitable standard of living during unforeseen economic situations – as well as providing basic food, shelter, and supplies during Hurricane Ian recovery efforts.

The Fort Myers Offshore Club has over 200 boating members with offshore enthusiasts from across southwest Florida, as well as the eastern United States and Canada. The organization, whose goal is to promote safe and responsible offshore boating, has raised and distributed more than \$300,000 for the community.

To make a donation to the Cape Coral Caring Center or purchase your Mercury Racing Hurricane Ian Relief T-shirt, please visit [bit.ly/RacingForIan](http://bit.ly/RacingForIan).
