MERCURY RACING ANNOUNCES NEW SCHOLARSHIP OPPORTUNITY

FOND DU LAC, Wis. (March 2, 2022) – Mercury Racing is pleased to announce the *Impact Institute Education Scholarship*. This scholarship program is designed to assist with the cost of the Marine Service Technology course taught by the [Impact Institute](#). The program will offer two scholarships of \$750 each to a high school junior or senior enrolling in the two-year course.

This scholarship is available to high school juniors or seniors in good academic standing within the districts of: Noble County, Lagrange County, Steuben County, Dekalb County, or Whitley County with an application deadline of Friday, April 29, 2022.

The Marine Service Technology course through the Impact Institute is organized to provide classroom and lab experiences to prepare students for employment in the boating industry. Students completing the two-year program will earn their Marine Industry (MIC) Certification. Instruction covers many facets of the industry including outboard and sterndrive engine repair, repair and testing of sterndrive lower units, steering mechanisms, hull repair and detailing, trailer adjustments, winterizing of engines, boat handling and safety of operation, troubleshooting mechanical and electrical problems, customer relations, EFI troubleshooting and more. Students completing the program are eligible to earn entry level certifications from Mercury Marine and other boating industry brands.
